Perspectives on Politics on JSTOR**

Asian American politics transcend simple

questions of voting behavior and elective office, going all the way back to early immigration laws and all the way forward to ethnic targeting. By employing a unique cross-regional comparative framework The Left Transformed explores the divergent trajectories of ex-ruling communist parties in key countries of the former Soviet Empire. Yet his legacy is deeply contested.

The Left Transformed in Post

Nakanishi Asian Americans are emerging as a political force and yet their politics have not been systematically studied by either social scientists or politicians. Court cases, legislation, demographics, and key pieces on topics ranging from gender to Japanese American redress to the Los Angeles riots to Wen Ho Lee round out this innovative reader on a politically active group likely to grow in number and electoral impact.

Left Transformed in Post

Their very strength has contributed to blocking genuine democratic alternation of power.

The Left Transformed in Post

By employing a unique cross-regional comparative framework The Left Transformed explores the divergent trajectories of ex-ruling communist parties in key countries of the former Soviet Empire. In Poland, Hungary, and Lithuania those parties transformed themselves into pro-Western free market center leftists who have won elections and formed governing coalitions periodically since the early 1990s. In-depth interviews, party

Filesize: 12.38 MB

presses and primary documents, and national election data provide a foundation for the most up-to-date examination of party transition, organization, ideology, and electoral fortunes through late 2002.

Left Transformed in Post

This book is an invaluable resource for anyone interested in contemporary history, political parties, or comparative government in Eastern Europe and Russia.
