Vintage Kids' Books My Kid Loves: September 2011

Posted by: 10-21-08 8:47 AM 106 Harriet the Spy bothered me a lot, because the milieu was familiar in general -- NYC, not too long before I was reading it -- but I couldn't make it fit into any sort of normalcy. Posted by: 10-21-08 9:10 AM 115 But it is really implausible to read those as racist against any currently existing ethnicity; whether you'd call Neolithic hunter-gatherers in the British Isles white in the social sense, given that the social sense didn't exist at the time, it seems implausible that they were anything other than fairly lightskinned. ACORN uses election day as a cover to infiltrate schools and kidnap small children.

In Elementary Particles it's the saintly, celibate brother, who is every bit as important to the book as the sex-obsessed one. The Macaulay books for kids and others are almost enough to make me want to have my own kids so I can share the joy. It turns out that Edward Azmon is a pseudonym for Edward Grinberg.

Other Old Sesame Street Titles: _____ Read along on , , and! Probably because I still regret not being a very competent Spanish speaker despite years of classes. Posted by: 10-21-08 9:22 AM 122 Also HTS was creepy because the characters were creepy.

Gang attacks singer in Chennai, snatches valuables

I think only a couple stories had humans in them, and those were a family of cavemen, so if they were presented as less sophisticated than modern city dwellers you might have a case. The misanthropy and grumpiness are fine with me, obvs.

Gang attacks singer in Chennai, snatches valuables

. OTOH, I loved Seven Chinese Brothers and, later, Harriet the Spy, in spite of the fact that these stories troubled me. .
