## 1865 : The ascent of the Matterhorn by Edward Whymper

Sometimes, after I had taken a hand from Croz or received a pull, I turned to offer the same to Hudson, but he invariably declined, saying it was not necessary. Still, we kept near to it, lest stones perchance might fall.

## Here and There Among the Alps

I hastened to the southern end, scanning the snow right and left eagerly. We remained on the summit for one hour — One crowded hour of glorious life. They saw it at Zermatt, at the Riffel, in the Val Tournanche.

## Here and There Among the Alps

This solitary difficult part was of no great extent. Also included are pamphlets, travel guides, and personal narratives of trips to and around the Americas, the Indies, Europe, Africa and the Middle East.

## Here and There Among the Alps (1875) : Plunket, Frederica Louisa E: tech.radiozamaneh.com.au: Books

The summit of the Matterhorn was formed of a rudely level ridge, about three hundred and fifty feet long, and the Italians might have been at its farther extremity. All their details — ridge and crag, snow and glacier—stood out with faultless definition.
