Walton Parish

Conquered by Spanish, 1521, who established Mexico City as new capital on site of Aztec capital Tenochtitlán.

Walton Parish

A reprographics service is available to researchers subject to the access restrictions outlined above. In the 15th century, Roger Walton died without male issue, and his two daughters carried their inheritance to their husbands.

Transcript of the description for Walton

Ballantine and Allan, of Edinburgh, and presented to the church by William Tyrer, Esq. After Mexican War of Independence from Spain, 1821, area became part of Mexico and immigration increased.

Parish records of Walton

Walton appears to have been a separate parish by at least 1821.

The of the Parish Church of Walton

Born in Leek, Staffordshire, England. By a charter of the 2nd of John, the king granted all his land in Waleton to Richard de Mida, son of Gilbert de Waleton; and the same family is named in connexion with various legal acts in subsequent reigns. Among the best houses are Walton Hall, the residence of Richard Naylor, Esq.

The of the Parish Church of Walton

. There was a church at Walton from at least the twelfth century. Principal gathering place for Saints following expulsion from Missouri.
