Book Reviews, Sites, Romance, Fantasy, Fiction

Ran across this book in relation to other book titles I was browsing, and since I just rewatched the movie 'Carrington', and in reading Hermione Lee's massively interesting and entertaining biography of Virginia's life, have learned so many tantalizing things about her sister Vanessa, thought that this book would be a wonderful supplementary companion piece in discovering more about the lives of the people in Virginia Woolf's life and orbit. But for someone interested in these women as lovers and artists, the men who loved them and those who didn't, this book, in its disordered way, says as much as anyone would want to know. Some of this argumentation is silly and breathless.

Women of Bloomsbury: Virginia, Vanessa and Carrington.

I am currently on a Virginia Woolf literary and biographical voyage of rediscovery, and can not seem to get enough of reading and learning about her extraordinary life circumstances and history, as well as her complex relationships, and of course the whole Bloomsbury Milieu. .

Nonfiction Book Review: Women of Bloomsbury: Virginia, Vanessa, and Carrington by Mary Ann Caws, Author Routledge \$29.95 (218p) ISBN 978

Caws can also be snobbish: the roles of happy wife, happy mother' are dismissed as boring' 6. Juxtaposing their personal lives and their work, Mary Ann Caws shows us with feeling and clarity the pain women suffer in being artists and in finding — or creating — their sense of self.

The book is certainly good-looking. No warranties are made express or implied about the accuracy, timeliness, merit, or value of the information provided.

Women of Bloomsbury: Virginia, Vanessa and Carrington

Relying on many unpublished sources, including letters and diaries, as well as familiar texts, Caws gives us a portrait of the female self in the act of creation.
