Is Canada A Nation Of Immigrants?

In 1990, the Assembly of Manitoba Chiefs leader Phil Fontaine called on the government and the churches involved with residential schools to acknowledge and address the decades of abuse and mistreatment that occurred at these institutions.

First Nations and Native Americans

Important Recent Archaeological Finds To learn more about the ancestors of First Nations people, scientists study human bones that are found preserved in dry caves, or in frozen riverbanks where they have not rotted away. A number of rebels were hanged or exiled; some exiles later returned to Canada.

Realizing a Nation

In return they agreed to pay taxes and relinquish future claims. The Bank of Canada, a central bank to manage the money supply and bring stability to the financial system, was created in 1934.

Name of Canada

My canoe is special because it takes you on an unusual journey. The earliest man-made artifacts tools or ornaments that archaeologists have found date from that time. Bone needles were used to sew the garments with sinew from the back or legs of a caribou, moose or deer.

N.S. First Nations chief calls for military support after lobster pound fire
