Rather, we proposed to disapprove ADEQ's streamlined SO 2 BART analysis. Interstate Transport of Pollutants That Affect Visibility II.

Review of copper pyrometallurgical practice: today and tomorrow

Unfunded Mandates Reform Act This action contains no Federal mandates under the provisions of Title II of the Unfunded Mandates Reform Act of 1995 UMRA , -1538 for state, local, or tribal governments or the private sector. Initially, we were subject to a court-ordered deadline of November 15, 2012, for addressing all aspects of the RHR via SIP approval or FIP promulgation.

Review of copper pyrometallurgical practice: today and tomorrow

These commenters noted that the CAA and the RHR provide that the states, not EPA, have the primary role in implementing the regional haze program, including making BART determinations and that EPA may disapprove an RH SIP only where the SIP fails to satisfy the minimum requirements of the Act.

Review of copper pyrometallurgical practice: today and tomorrow

A dream is finally a reality! We then proposed on May 20, 2013, to approve in part and disapprove in part the Supplement. EPA; EME Homer City Generation v. Therefore, we have included dry FGD upgrades as a control option in our SO 2 cost-effectiveness calculations.
