France calls for sanctions against S. Africa

The declaration was subsequently endorsed by a summit meeting of non-aligned countries. By mid-1986 a student organizabon protesting other uni v ersities.

The Crown: The Queen Condemned Thatcher Over Apartheid Sanctions in South Africa

In doing so, they are selling their assets to South African businessmen who are getting rich in the process, while terminating the companies social responsibility programs which enormously helped black communities. This is precisely what many critics of sanctions predicted. More important, certainly, is the fact that sanctions have not hurt only the whites, as they were intended.
