

Lipid metabolism in mammals.

University of Birmingham - Lipid metabolism in mammals

Description: -

-Lipid metabolism in mammals.

-Lipid metabolism in mammals.

Notes: Thesis (D.Sc) - University of Birmingham, Dept of Biochemistry.

This edition was published in 1980

Filesize: 55.48 MB

Dietary CLA significantly improved the oxidative stability of chicken meat.

Lipid metabolism in mammals

They are based on studies confined chiefly to. Induction of Calcification by Lipids.

Modeling biochemical aspects of energy metabolism in mammals

Synopsis During the past decade we have witnessed a vast expansion in our knowledge of lipid metabolism, especially for mammalian tissues. The concentration of polyunsaturated fatty acids, including arachidonic acid, linolenic acid and linoleic acid, also reduced as the dietary CLA level increased. Author: Ronald David Feld Publisher: ISBN: WISC:89010888444 Category: Page: 166 View: 115 Many genes known to play important roles in mammalian lipid metabolism are conserved in the optically clear zebrafish larvae.

Lipid Metabolism in Mammals

. Author: Edward George Perkins Publisher: ISBN: UOM:39015000809171 Category: Lipid metabolism Page: 254 View: 204 Modification of Lipid Metabolism .
