History & The Vault

By 1943 Japan was making use of the oil supplies from Balikpapan, but within a year this was severely disrupted by raids made by bombers based in Australia. The entire three month rescue mission had cost 23,000 lives. Child migration was regarded by governments as a form of social welfare, and also as a means of overcoming the decline in the birth-rate a particular preoccupation of the early years of the twentieth century and of the 1930s through the introduction of British youth.

History & The Vault

Natural Resources Conservation League Alex' initiative continued when he noticed a substantial area of land for sale opposite his own property on Springvale Road.

History & The Vault

Fine weather lasted a few days but by 14 April the rains had begun again .

Natural Resources Conservation League of Victoria

The Sheik advised the Germans that only one year previously he had entered an agreement with the British Viceroy of India not to sell any land without British consent, in return for British protection. Dickman and Mandy Martin, eds Melbourne: CSIRO Publishing, 2010 , pp. Still, that is part of the purpose of the training learning to carry your rifle so that it doesn't catch on overhead boughs and set them rustling to betray your coming to the enemy.

The Wilkies

With such potential opposition it was essential that the Japanese were weakened as much as possible before the actual landing occurred. It was also reported that the American 7th Fleet had joined the American and Australian forces. Ibbotson 'On the Backs of Turtles', The Age, 19 November 1996.

The Wilkies

On Sunday 4 November 1936 he conducted his first services: Balook at 11:00 am, then a ten kilometre ride to Blackwarry for a 3:00 p. The Kamberri: a History from the Records of Aboriginal Families in the Canberra-Queanbeyan District and Surrounds 1820-1927 and Historical Overview 1928-2001. Refereed paper, IV International SICRI conference, Finland, 2008, 'Half a square mile bigger'.

History & The Vault

The proposed campaign by the Australian Divisions was therefore questionable from its real strategic value, although many Australians, had they known about the plan, would have supported it because it would give real evidence that the Australians were doing something positive to rid the area of the Japanese invaders. Summary The Natural Resources Conservation League of Victoria was established in 1951.
