Elementary Curriculum

Singapore math addresses this by adding a pictorial component to bridge the gap between the concrete to the abstract. First, the gaps between the top- and bottom-SES quintiles shrink, showing that SES-based gaps are partially explained by the variation in the controls which is not visible in the tables.

Education inequalities at the school starting gate: Gaps, trends, and strategies to address them

The analyses For the analyses, both the scale and the theta scores need to be standardized by year the original variables are not directly comparable because they rely on different instruments, as explained by NCES, and the resulting standardized variables have mean 0 and standard deviation 1. In level 1, GCS kindergarten students will learn exciting new concepts, including letter sounds, phonograms, consonant teams, blending, syllables, sight words, consonant blends, plurals, compound words, and much more.

Education inequalities at the school starting gate: Gaps, trends, and strategies to address them

Child poverty has increased sharply, as has its concentration, and the schools into which the most disadvantaged children enter face increasing economic and racial segregation but even fewer resources than in 1998 to deal with them. García, Emma, and Elaine Weiss.

Reducing and averting achievement gaps: Key findings from the report 'Education inequalities at the school starting gate' and comprehensive strategies to mitigate early skills gaps
