### The extent of team integration within construction projects

The Federal role in providing leadership and a national policy for the education of students with disabilities enjoys widespread public support and has made a significant difference in the lives of students with disabilities and their families. Proposals should respond to critical public needs that could overlap the examples above or be entirely different. Finally, CMS could review the impact of its requirement for contract-level Model of Care submissions on states' and health plans' alignment efforts.

### Integrating the disabled: report of the Snowdon working party by Working Party on Integration of the Disabled, Snowdon, Antony Armstrong

Richard Lavoie Director of Eagle Hill School Outreach Eagle Hill School Greenwich, CT Ms. Through her efforts, many local advances have been made to improve accessibility for persons with disabilities, such as setting up transportation services and installing voting machines for persons with disabilities, fund-raising to provide interpreter services for persons who are deaf, and supervision of her local school district's compliance with Federal regulations. Learner characteristics and adaptive education.
