**Nonfiction Book Review: The Good Life and Its Discontents: The American Dream in the Age of Entitlement by Robert J. Samuelson, Author Crown Publishing Group (NY) \$25 (0p) ISBN 978**

This glibness is not uncommon. Yet, paradoxically, many of us have never felt so bad. The failure to deliver these entitlements, of not creating Utopia, generates constant dissatisfaction with the political system and the ruling politicians.

**The Good Life and Its Discontents: The American Dream in the Age of Entitlement.. 9780679781523**

The author also discusses why budget deficits have persisted since the Sixties and discusses the setting of priorities in the federal budget. And we demand the impossible: economic growth without business cycles, freedom without inequality, and--most crucially--benefits without taxes. For example, many believe that is in the power of government to smooth out business cycles so that there are no recessions.

**The Good Life and Its Discontents: The American Dream in the Age of Entitlement by Robert J. Samuelson, Paperback**

Using history, economics, and psychology, he exposes the hubris of economists and corporate managers and indicts a government that promises too much to too many constituencies.

**The Good Life and Its Discontents: The American Dream in the Age of Entitlement by Robert J. Samuelson**

In The Good Life and Its Discontents, Samuelson, a national columnist for Newsweek and the Washington Post, links our rising expectations with our belief in a post-Cold War vision of an American utopia.

**The Good Life and Its Discontents: The American Dream in the Age of Entitlement 1945**

About the Author Robert J. . Samuelson, however, says that this is not realistic, and that periodic slumps are necessary in a capitalist system in

order to contain inflation.
