**The Outline of History, Being a Plain History of Life and Mankind. Written with the Advice and Editorial Help of Ernest Barker [And Others] : H G Wells : 9781172840106**

Still, Wells is Wells, generally regarded as a more important writer than the Durants, so some may want to check this out as a nonfictional adjunct to his prognosticative novels. The Grecian Olympic Games, commencing in 776 BC, lasted for more than a thousand years, while Plato's Academy lasted for nine hundred years.

Wells chronicling the history of the world from the origin of the Earth to the First World War. This book has very much changed my understanding. A good overview of world history, though necessarily cursory and Euro-centric. This is a survey with many skewed perceptions.
