Pastoral counselors represent a valuable resource for psychiatric referrals as they are uniquely qualified to address certain mental health issues—including bereavement and coping with terminal illness. Pastoral counselors trained in behavioral sciences can help assess and treat patients who prefer psychotherapy that reflects their spiritual beliefs.

**ERIC**

Or someone with an entrepreneurial mind to plan and coordinate industries for the students. It complements the spiritual care offered by the pastoral team. Apart from Spiritual need, church member do have many other needs — emotional, physical and intellectual well being.

### **Pastoral Counselling**

The church's mission must be openness and hospitality toward newcomers. For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many.

### **Pastoral Counselling**

Chronic or terminal illness likewise can bring up existential questions, and pastoral counselors can explore with the patient the meaning of suffering, providing spiritual healing when medicine offers no cure. Discusses responses of the Catholic church to the special needs of Indochinese refugees in the United States. The Project A young family is already working in the Mondolkiri Province of Cambodia where they have opened an elementary school for the Pnong hill tribe.

### **Pastoral Care**

Greater love has no one than this, that he lay down his life for his friends. Pastoral Care Department is always available to provide care and support to members and their families. Pastoral Care Department Objective: The objective is to provide holistic care to all church members.

## **Pastoral Care**

You never gave up on me.

## **Pastoral Care**

Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. Care to the members of our congregation and beyond is carried out daily in a variety of ways. Love your neighbour as yourself.
