Others were required to pay a 10% fine of the value of the property.

## The Southern Campaign of the American Revolution

One soldier was clubbed and fell.

## Faculty Q&A: July Fourth and the American Revolution

The Currency act created tension in the colonies because it was seen as an attempt by the British government to gain control of the colonies monetary policies. During this period, the wife's relationship with her husband also became more liberal, as love and affection instead of obedience and subservience began to characterize the ideal marital relationship. However, in his widely read pamphlet, , John Dickinson argued against the

constitutionality of the acts because their purpose was to raise revenue and not to regulate trade.

### **History: American Revolution**

Simcoe desired to demonstrate the merits of and in Upper Canada in contrast to the nascent republicanism and prominence of, and, according to historian Stanley R. The committees became the of the American resistance to British actions, and later largely determined the war effort at the state and local level.
