Fisheries management in the twenty

Humanity today faces critical challenges. The environmental crisis of climate change occupied the center stage in the mid-2000s.

The New Paradigm

In recent years, the Academy has conducted numerous conferences, seminars and workshops and collaborating with other organizations in an effort to promote concrete steps toward immediate and total global nuclear disarmament.

Modern Drug Discovery and Development

Closing the gap between social needs and educational capabilities is essential for addressing pressing challenges confronting

humanity today. ISSN 2038-5242 - Cadmus Trieste.

Development: new paradigms and principles for the twenty

We see leadership pipelines and development at a crossroads at which organizations must focus on both the traditional and the new. Then the subprime mortgage crisis exploded in late 2008, spreading havoc through financial markets across the world.

Modern Drug Discovery and Development

Testo stampato ISSN 2038-5250 - Cadmus Trieste. Third, and perhaps most importantly, I would say it is a guidebook for all those individuals who aspire to live with passion and purpose and have an earnest desire to become all they can become; to explore their full human emergence. Its members were: from France Pierre Chouard, George Laclavére and G.

A new paradigm for rural development

This is the case in Brazil, China, and India and in a great variety of countries in Asia, Latin America, and Africa.
