### Democracy: The God That Failed

A friend of ours lost her job in another state institution, for example, after she had completed too many projects too quickly. Five Books participates in the Amazon Associate program and earns money from qualifying purchases. A party used to have a lock on Congress for decades.

### Book review of Democracy in One Book or Less How It Works, Why It Doesn't, and Why Fixing It Is Easier Than You Think by David Litt

Partisans in polarized countries generally put their party slightly above their abstract commitment to democracy, as Yale professor in his study of how modern democracies are most often subverted. The pursuit of democracy is a continuing struggle shared by people around the world, whether they are opposing authoritarian regimes, establishing new democratic institutions, or reforming mature democracies to better live up to their ideals. Together, these changes have yielded a fundamentally different system than many of us intuitively assume.
