### Journal of Appreciative Education

The audience dutifully clapped between each piece and resigned themselves to a long evening of little significance, while from the wings, the old virtuoso fretted and fumed at his pupil's diminishing returns. The Hunt comes, and brings with them death, doom, and destruction. When the denizens of the Underground walked the world above during the days of winter, before the year began again in the spring.

### Journal of Appreciative Education

On a day like this, I could believe the barriers between worlds were thin indeed.

### Wintersong by S. Jae

My sister often found any excuse to skip out on her chores. Jae-Jones called JJ is an artist, an adrenaline junkie, and erstwhile editrix. It was as though my sister had reached into my breast and wrenched out my heart, still beating, with her fist.

### Wintersong by S. Jae

Excerpted from Wintersong by S. Read an Excerpt CHAPTER 1 PART I EVER THINE I can only live, either altogether with you or not at all. We wear gowns made in the most luxurious silks and brocades, a different color for every day of the week.

### Frozen Section Library: Genitourinary Tract

But when her own sister is taken by the Goblin King, Liesl has no choice but to journey to the Underground to save her. Mother and Constanze had made me a winter cloak from the cloth, and Käthe made no secret of how much she coveted it. It had always been up to me — me and Mother — to hold the family together.

### Journal of Appreciative Education

None of the village boys will care anymore, now that I'm to be married.

### **Shadowsong: A Novel by S. Jae**

Once we were finished with supper, Käthe cleared the plates while I began the washing up. A soft snore rose from the back of the salon, and in the wings, Master Antonius silently seethed.

### **Wintersong by S. Jae**

Queens are destined for greatness. Frozen sections are performed while a patient is undergoing surgery as a basis for making an immediate diagnosis that will impact treatment decisions. While my sister's imagination did not encompass the uncanny, as mine and Josef's did, she had an extraordinary capacity for pretend nonetheless.
