Tali conoscenze sono alla base di un professionista della musica che voglia definirsi completo, al pari delle competenze tecniche acquisite nello studio del solfeggio e dell'armonia e dell'abilità strumentale conseguita nei molti anni di studio dello strumento. .

Massimiliano Neri

There, surrounded by the vast glowing canvases of Jacopo Tintoretto, he had listened for some three hours to what seems to have been a concert rather than a strictly liturgical occasion , which: consisted principally of musicke, which was both vocall and instrumental, so good, so delectable, so rare, so admirable, so super excellent, that it did even ravish and stupifie all those strangers that never heard the like . . For mine own part I can say this, that I was for the time even rapt up with Saint Paul into the third heaven. The son of a Venetian nobleman, he followed the career path of all Venetian nobles of his time: he was admitted to the Maggior Consiglio of the Republic on 4 December 1706 and, after completing studies in literature and law, served in various magistracies over the next two decades. Little is known of his early years.

In 1608, the English traveller and eccentric Thomas Coryat visited Venice, an experience which he described in some detail in his Crudities published in London three years later. This demonstrates how severely separated in social experience dilettante composers were from the common ranks of musical.
