Alive on the Andrea Doria! : The Greatest Sea Rescue in History by Pierette Domenica Simpson (2008, Trade Paperback) for sale online

While the mangled Stockholm began rescuing passengers from the Doria, several other vessels answered its distress calls and raced to the scene. Deep Descent tells of these dives, and the tragedy that continues, and complements Gary Gentile's Dive to An Era.

Saved! Andrea Doria liner 1956

In 1891 a mining crew did a thing that miners do, and hit a cavern that... you guessed it: flooded the chamber they were in.

Saved! Andrea Doria liner 1956

How was it possible for two mammoth ships to steer directly into each other? And I dressed her up! For at that moment the beautiful Italian passenger liner Andrea Doria was hit broadside by the Swedish liner Stockholm, whose reinforced hull was constructed to withstand the Scandinavian ice floes. The first, a small freighter called the Cape Ann, arrived around 12:30 a.
