### A Colourful Phantasist

This one is a little further along and focuses on Italian produce. For example, once Maddox Gallery had so many beautiful red flowers. Akin to a tourist attraction, this street is a real winner on the colourful houses front with purples, blues, pinks and more on offer.

#### London's Prettiest Coloured Streets

Furthermore, Maddox Gallery is in the center of London, which makes it easy to visit. It's not very busy here, so it's the perfect place to go to with your lover.

#### Colourful Places In London, From Red To Green And Everything In Between

These colourful homes not only bring us a little more happiness during those grey and rainy Winter days, but they also look absolutely stunning when London is in bloom. West and North London are particularly fabulous so here are my top spots.
