**Of Plymouth Plantation Excerpt (Colonial Times, 9th)**

Cattle often grazed in the common.

**Iron Forge in Colonial America by Harry Schenawolf**

With great knowledge and skill, he regulated ore, fuel, air, flux, and even cooling rate to create desired grades. By working from the center outward, excess slag was squeezed to the ends of the bars. The settlers soon discovered Plymouth Harbor, on the western side of Cape Cod Bay and made their historic landing on December 21; the main body of settlers followed on December 26.

**Mary Stetson Clarke (Author of The Iron Peacock)**

The Hittite Empire c1700 BC — 1200 BC occupied the region of Anatolia Asia minor and present day Turkey prior to 1700 BC. Drop teaspoons of the batter onto the pan. Still, many slaves died during the long Atlantic crossing.

**Mary Stetson Clarke (December 27, 1911 — November 12, 1994), American editor, publisher, writer**

These slave traders did not capture slaves themselves. However, the membership was divided on going beyond these issues or collaborating with ethnic or groups or labor unions; it refused to stretch traditional gender boundaries, giving it a conservative reputation. Most was declared as in 1805, including all of the.
