## The Cemetery, Carl Fredrik Hill, 1877

From Courbet he learnt how to use colour to suggest the surface texture of stone quarries and gravel hills.

## UK Oil Painting Reproductions Carl Fredrik Hill 1

In this period 1883-1911 his drew about 2-3000 drawings inspired from books in his father professor in mathematics Carl Johan Hill 1793-1875 library and from many visits with his family to museums in Copenhagen : Thorvaldsens Museum and Statens Museum for Kunst. It's our hope that your item gets where it's going as soon as possible, but given the factors involved, this is only an estimate. .

## Carl Fredrik Hill Painting Reproductions For Sale

He studied french painters at Louvre, Luxembourg Palace and art dealers. Sad to know that Carl Fredrik Hill only had 28 years out of his 61 years, where he had focus, energy, reflections and understanding of his own personality with healthy intellectual, will and feelings.

## Carl Fredrik Hill

It was a heartbreakingly experience — so sensitive in his artistic expressions of love, loneliness, despair, anger and frustration. The pure investigation of the form is crucial in the research of both Olle Bærtling and Robert Morris. Carl Fredrik Hill was a Swedish painter.
