Audio

The presiding trial judge shall not be called upon to mediate or resolve any dispute as to such arrangement. During the proceedings, operating personnel shall not move about, nor shall there be placement, movement or removal of equipment, or the changing of film, film magazines or lenses.

Audio

The presiding trial judge also shall consider and give great weight to the fact that any party, victim, or other participant in the proceeding is a child. Such order shall be included in the record of such proceedings and, unless it wholly approves the application and no party or victim objected to coverage, it shall state the basis for its determination. Amended on , effective March 1, 2016.

PART 131. Audio

The areas designated shall provide the news media with reasonable access to the persons they wish to cover while causing the least possible interference with court proceedings.

PART 131. Audio

Equipment that is not necessary for audio-visual coverage from inside the courtroom shall be located in an area outside the courtroom.

PART 29. Electronic Recording And Audio

Electronic media or print photography coverage of appellate arguments shall not be limited by the objection of counsel or parties, except for good cause shown.

PART 29. Electronic Recording And Audio

Amended on , effective March 1, 2016. All such activities shall take place each day before the proceeding begins, after it ends, or during a recess.

PART 131. Audio

Amended i; added j - k.
