Sadly there is now no trace of Guerin

Street after comprehensive redevelopment probably in the 1970s , and although Malmesbury Road still exists, it has also been redeveloped and diverted away from its original course.

### Mister God, This Is Anna (Paperback)

Anna entlarvt vieles, was die großen Leute so reden, als Gewäsch.

**Mister God, This Is Anna by Fynn: 9780345441553**

Philosophical questions are investigated through the eyes of a child, who proposes simple, common-sense solutions. Another wonderful book by Fynn which I immediately re read after finishing it! I must have read this book more than a dozen times. For general enquiries, if you knew Syd or can supply any further information, please email Malmesbury Road, London E3 — Guerin Street is to the left by the lamp post opposite the primary school Syd attended.

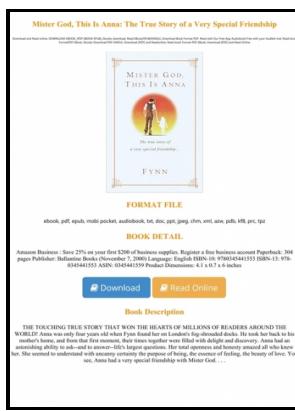

### Mister God, This Is Anna: The True Story of a Very Special Friendship

I loved Anna and her many ideas. God bless you Nigel, and all who find peace and hope here. Stretching on that one, I haven't read the book since 1982 but the way of looking at God certainly stuck with me.

The whole book was a lesson to me and I guess to all other readers, this book teaches about kids that we cannot ignore their intelligence though Anna's intelligence was scary as it always scared the hell out of Fynn. I can only say look beyond; look at Anna's love; look at the relationship between Anna and Fynn. God be easy to understand when explained by a little girl? My daughter is Anna with the reddest of hair ....

### **Mister God, This is Anna by Fynn**

Fynn, thank you X 10 years later and I am now on my feet with my own voice and a steady stream of love that flows right through my middle.

### **Mister God, This Is Anna by Fynn**

Anna and Fynn are the best! In her completely frank and honest way, Anna had an astonishing ability to ask and answer life's largest questions, and to feel the purpose of being. There are some who say this child could not have just come to live with this family, It did happen in the 1930's and having little children run the streets was not unheard of. God which the work reveals.
