In a post-colonial age of globalizing economies, the political quest for national 'identity' is increasingly urgent. Or Is Australia just a melting pot of different peoples and cultures without a common culture? Kapferer consequently produces a wealth of ethnographic detail that will be particularly interesting to readers unfamiliar with Australian cultural practice but concerned with the characteristics of activities such as public festivals.

As such, she moves considerably beyond a predominant body of literature that investigates Australian national culture and identity solely through published media such as literature and film. Buy all your used books from Enough Books.

Being All Equal: Identity, Difference and Australian Cultural Practice (Global I)

Especially telling is her treatment of suburbia, which, in its unsettling capacity to excite both contempt and desire, emerges in this book as a central metaphor of the discursive alchemy of late capitalism and exposes the self-effacing sources of nationalist hegemony. Description: Berg Publishers, UK, 1996. By dissecting the motivations that animate the superficially bland inclusiveness of liberal nationalism, Judith Kapferer has made of Australian cultural politics a globally apposite object-lesson for political and social theory.

Synopsis Is there such a thing as an Australian national identity? Kapferer consequently produces a wealth of ethnographic detail that will be particularly interesting to readers unfamiliar with Australian cultural practice but concerned with the characteristics of activities such as public festivals. A significant strength of Kapferer's monograph is her attention to aspects of everyday leisure and work, such as the Show, as the grounds

and material for identity formation.
