## Stubborn Heart Co.

I am bored to death.

## Stubborn Heart on Spotify

The book is not the sappiest in the world, but Trevor was one of those characters I loved. This is a sweet little romance that allows the listener to escape to the promise of tomorrow. And that's all I will say about that.

## stubborn heart

Sure, there were some incidents along the way, involving family issues and personal injury, but overall, it was not a highly-emotional story. This book has it all. These first three plagues take place throughout the land, likely affecting both Egyptians and Israelites.

People do not look incredible.
