## Cloud Computing for Government

Its construction coincided with an improvement in the industrial region between First and Second Avenues. Retrieved November 29, 2018 — via newspapers.

## APQC Process Classification Framework (PCF)

Estimates varied as to the number of warehouses at Bush Terminal. However, the proposal to build a market at Bush Terminal was controversial among merchants because it would take profits away from the Brooklyn Terminal and Bronx Terminal Markets, as well as from the Washington Terminal Market in Manhattan, and it was ultimately not built. After Irving Bush's death, the company began buying larger interests in various companies.

## County and City Government

The subway station, served by the train, is closest to the NYCEDC section of Bush Terminal. The , also owned by the NYCEDC, occupies the waterfront to the north and west, from 39th to 29th Streets.

## Industry City

Retrieved November 21, 2018 — via Brooklyn Public Library; newspapers. The buildings were outfitted with the most modern amenities available in the 1900s and 1910s, such as fireproof metal facades and a fire sprinkler system. Summary County governments can adopt the commission system, the council-administrator system, and the council-elected executive system of government to carry out their functions, which usually include the work of the sheriff, the county clerk, the assessor, the treasurer, the coroner, and the engineer.

## North American Industry Classification System (NAICS) U.S. Census Bureau

The new facility, the Hospital for Special Surgery Training Center HSS Center , was to be built on the roof of an empty warehouse in the complex, occupying 70,000 square feet 6,500 m<sup>2</sup> of space in total.

#### **City of St. Louis, MO: Official Website**

In 2014, the 's announced their intention to move their training center to Industry City. A major tenant—the Norton Lilly Company, among the city's largest shipping companies—moved out of the terminal in 1957, having occupied Bush Terminal since 1902.

#### **APQC Process Classification Framework (PCF)**

. The Bush Company terminal business became the Bush Terminal Company in 1902 when Irving T.
