## Britain cannot afford a lost generation

This goal motivates Gaby and is highly evident in the way he endeavours to be an astute student.

## Focus on Europe

Slave trading had begun earlier in , but that region did not become a British possession until 1787. But that ambition is neither a role nor a strategy. Its innovative approach to modern deterrence, especially in cybersecurity and protecting space-based communications, could serve as the basis for new linkages between Nato and the EU, enabling them to confront together these frontline threats to European democracies.

## Battle of Britain

Time Being in my first semester of college, I have a ways to go until I reach my final destination. What is at stake for the party is not big enough to warrant a fresh Brexit disagreement — whereas what is riding on a deal, however limited, and where the country goes next, are huge.

## Focus on Grammar

Journal of the British Politics Society,. Initially run by Charles's brother, the future James II, it operated mainly on the coast of modern day Ghana, eventually abandoning the slave trade and moving into gold and ivory in 1731. And as we forge a dynamic new vision for a truly global Britain, this government is absolutely committed to the United Kingdom being an even stronger force for good in the world, on climate change, as we host COP26, as we champion 12 years education for every girl in the world, no matter how poor their background.
