Ontario Historical Society : Welcome

Before entering the fort are four info stands about the fort's history: 1. The government repealed Regulation 17 in 1927. The Neutral continued to trade commodities such as maize, tobacco, and black squirrel and other high-grade furs for steel axes, glass beads, cloaks, conch shells, gourd containers, and firearms.

Ontario History Journal

Most human rights activists did not raise the issue before the 1970s, because they were family oriented and subscribed to the deeply embedded ideology of the family wage, whereby the husband should be paid enough so the wife could be a full-time housewife. However, the Neutral population had already been reduced by diseases such as smallpox and measles carried by Europeans.

Ontario History Journal

A fascinating, insightful and inspiring talk by a great American historian. Few express this conclusion publicly, but many believe it is the truth.

First Nations Child Welfare in Ontario (2011)

The lands that make up present-day , the most populous of as of the early 21st century have been inhabited for millennia by groups of , with and exploration and colonization commencing in the 17th century.
