Filesize: 38.61 MB

The 15 th edition of the report draws on feedback from nearly 800 global experts and decision-makers who were asked to rank their concerns in terms of likelihood and impact.

COVID

Limited evidence from US states suggests that mask mandates are correlated with greater reductions in new cases than mask recommendations are. For a new report published this week, we teamed up with the World Economic Forum WEF to examine.

Coronavirus' business impact: Evolving perspective

Risk outlook: a sharper focus on environmental threats over the next 10 years Concerns about environmental risks have been rising over the last decade. One reason women are more affected: two million women many of them mothers of young children are thinking about leaving the workforce, or have already left.

Risk Management and Insurance Perspectives in a Global Economy

We hope you draw some inspiration from this list and find ways to restore yourself during these unusual times.

BRINK

Our new framework exhibit can help others think through these knotty issues. Healthcare companies might want to pay strict heed to that are

affecting their business.

Book Review: Risk Management and Insurance: Perspectives in a Global Economy

Political risk is broad and multi-faceted.

How Political Risk Influences Economic Risk

We strive to provide individuals with disabilities equal access to our website. Now, as former US surgeon general Vivek H.
