## Breaking Free of Our Metaphysical Winter

No really good teaching of any subject is possible without the introduction of historical considerations.

## The Sociological Perspective

The Sport Psychologist, 2, 222—230. It creates a desire for power over others, of wanting to be god-like.

## Mr. Huxley on M. Comte (1869)

This means that the world exists only as far as it is represented, and that all knowledge of the world necessarily refers back to how it is represented. Morals or Ethics thus viewed is the final science, including all other sciences, as it includes also every one of the arts of life.

## Auguste Comte

He is not competent to judge them. Through language society is able to pass on to an individual a body of collective knowledge that is infinitely rich and greatly exceeds the limits of individual experience. Healing our Societies: The Positivist Clergy Auguste Comte had not too much confidence in political representation or the press.

## Dualism (Stanford Encyclopedia of Philosophy)

Emile Durkheim: An introduction to four major works.
