The Constitution of India is the guiding light in all matters executive, legislative and judicial in the country.

Brief History of law in India « The Bar Council of India

There was no concern for precedent, and although the decisions of courts were recorded, the records, as far as we known, were then usually given to the litigants themselves, who were responsible for the maintenance of the documents of their respective trials.

Religion and personal law in India, personal laws in india, religious laws in india, Hindu Law, Christian Law, Muslim law

A Hindu converted to other religion cannot inherit if the succession opens after conversion.

Illegitimacy under Hindu Law

Rules with an obvious purpose relate to the realm of the practical artha or that of the pleasant kāma and are therefore of less consequence to the metaphysical well-being of a person than rules that relate to dharma. The British exercised power by avoiding interference and adapting to local law practices, as explained by the local intermediaries. .

The Oxford History of Hinduism: Hindu Law

The Christian Marriage Act, enacted in 1972. I was my college topper for five years. The latter includes witnesses, documents, and a sophisticated treatment of the use of ordeals to settle disputes. .
