**Archimedes Codex: Revealing the Secrets of the World's Greatest Palimpsest 9780297853107**

Concealed for over 70 years by a Western businessman, forged pictures were painted on top of some text to increase resale value.

**The Archimedes Codex on Apple Books**

This is about the scientific struggle to preserve AND decipher the HORRIBLY treated ancient writings themselves. He was on the cusp of mathematical theories that did not come to fruition until literally 1800 or more years after his death.

**The Archimedes Codex: Revealing The Secrets Of The World's Greatest Palimpsest**

They will also discuss the free availability of the data under a Creative Commons license for the development of GUI's and applications linking the spatially aligned images and transcriptions. Still, even with these drawbacks and reservations, it was an eloquent, beautiful read. The Greek church contended that the palimpsest had been stolen from its library in Constantinople in the 1920s during a period of extreme persecution.

**The Archimedes Palimpsest**

The two authors tell two stories, alternating chapters between each other. Readers may also view more images and a video on the multispectral imaging process at the project and exhibit website. The Codex board can be found as an extension of Socrates' argument in a seven-by-seven-square grid, suggesting an iterative construction of the side-diameter numbers that give rational approximations to the square root of two.

**The Archimedes Codex : How a Medieval Prayer Book Is Revealing the True Genius of Antiquity's Greatest Scientist by William Noel and Reviel Netz (2007, Hardcover) for sale online**

By the time her family offered the codex for sale in 1998, it was in a dreadful state.
