John Walter. The Rifle Story: An Illustrated History from 1756 to the Present Day.

Arbuthnot, the superintendent of the , objected to the adoption or manufacture of the Jones Rifle on the grounds that it was much too complicated and too fragile for service. Though not of the same frame, the Model 19 traces its cartridge development directly to its big brother.

Idaho Meanderings: Governor Frank Steunenberg's Model 1895 .303 Savage Rifle

We don't teach enough of this stuff in schools or to all aspiring U. . Probably my third time through.

Idaho Meanderings: Gun Related Stuff

This designation appeared in a September 1916 article in the journal of the Artillery Commission.

Idaho Meanderings

Will indicated the rifle should be passed on to either of Frank's two sons, one being and the other Frank Jr. It is one thing to lose your job for poor performance.

An Illustrated History

For some reason this number was increased to 5,000 for immediate adoption.

Firearms

On one occasion we were bounding along some dirt road deep within the forest when a rockchuck suddenly darted across the road going for a rock pile.

Muskets & Rifles of the American Revolution: Difference and Tactics

Ayres Up front and personal accounts of the amazing B-17 crew members.
