### Top 15 Female Wildlife Conservationists & Animal Rights Activists

Using drones is helping Belize to detect and prevent illegal fishing that would destroy the reefs and harm local livelihoods dependent on sustainable fishing and tourism. Despite being taken from us at a young age, her work continues to protect our wild lands for generations to come.

### Dormouse Conservation Handbook

Rescue, rehabilitation, and release efforts are ongoing in an attempt to save this species from extinction.

### Inside the BSA's Conservation Handbook, a guide to saving the Earth

Filesize: 33.62 MB

The Conservation Handbook is a book about caring for the Earth.

### Conservation and Environment

Birkby also penned the first edition of the Conservation Handbook seen at right , which was released in 1991. In order to capture as much attention as possible, Carson wrote specifically about the bald eagle, the national bird of the US.

### Conservation and Environment

With a sense of ownership over their wildlife, the people we partner with are an important, vocal constituency for wildlife conservation in their nations. Bronze or Silver award distinctions will be used temporarily for individuals whose efforts were already submitted or underway under the previous award program. One of the key ways the program functions is by engaging the community to become animal rights activists via media coverage, and setting up an anonymous hotline for reporting crime.

## **Wildlife Management**

Of particular importance is the work of the Borneo Orangutan Survival Foundation. In 1906, Lind af Hageby co-founded the ADAVS and, in 1954, she opened a 237-acre animal sanctuary in Dorset, England.

## **Success Stories of Wildlife Conservation**

For more than a century, the BSA has encouraged and honored conservation work with an award that recognizes youth, adults and organizations who have demonstrated tremendous effort and commitment to the environment. To prevent them from being killed for food and in boating accidents, a number of regulations were enacted. What these incredible female heroes all have in common are drive, determination, and leadership skills that have allowed them to change the world for the better.

## **Wild Life Today: World Conservation Handbook Edited by Nigel Sitwell**

Moreover, the habitat that remains has often been degraded to bear little resemblance to the wild areas which existed in the past. While the researcher ultimately won the suit, the ensuing outrage over performing surgeries on live animals raged on for decades. Karanth has dedicated her life to improving the plight of the endangered Tiger.
