## Canada's health care system

Thanks for being an engaged Public Health Practitioner leading by example! Bismarck saw the working class movement of that time as a threat. A tax increase is necessary which negatively affects the budget deficit.

## CDC

Many Canadians, either through their employers or on their own, are covered by private health insurance and the level of coverage provided varies according to the plan purchased.

## Canadian Health Care: Health Care Funding

Of the remaining portion, 10% is covered by private insurance and 2% by police officers insurance, student insurance and public assistance. Medicaid is the only public program that finances long-term nursing home stay. Four years later, all the provinces and territories had agreed to provide publicly funded inpatient hospital and diagnostic services.

## Is Canada the Right Model for a Better U.S. Health Care System?

There is more to health than the health care system. A PPO is also a prepaid type of MCO that combines the insurer and producer functions. Under the Act, each provincial health plan is administered at the provincial level and provides comprehensive first dollar coverage of all medically necessary services.
