CORRECTING and REPLACING Faguy & Co. And Morganti & Co., P.C., Announces That Investors Reach a CDN \$30 Million Settlement with The Stars Group, Inc. (Formerly Amaya Gaming)

The first is a transfer of ownership, from CKHQ United Voices Radio, owned by resident James Nelson, to Mohawk Multi Media, a non-profit corporation whose membership is open to all community members. This is definitely yet another in a long series of cuts to RCI and I would not be surprised if it simply fades away over time. The class action was certified by a Quebec judge in April 2019, but TD only submitted its earlier this week.

Baldi's Basics

The class action is brought on behalf of investors in securities of Amaya Inc. Judges Marc Nadon, Richard Boivin and Marianne Rivoalen rejected the request by CJMS to overturn the decision and keep the station on the air. The decision is not directly related to the cuts at other TSN stations this week — this application was originally filed in 2019 and published in November.

The Law Firms of Faguy & Co. and Morganti & Co., P.C. Announce Notice of the Settlement Approval Hearing for The Stars Group Inc. (Formerly Amaya) Securities Class Action Settlement

We are engaged on the issue and committed to looking at options that support our full range of digital offerings to the EU market. Stations at 50 watts or below are considered low-power unprotected stations, which means another station can apply for a licence for that frequency or an adjacent one and bump it off that frequency.
