Notes: Includes bibliographical references.

This edition was published in 1994

management-based work practices in Swedish health care, Equality, Diversity and Inclusion: An International Journal

Hierarchies are being replaced by cross unit organizational groupings with fewer layers and more decentralized decision making. Additional methodologies explored in this course include: action research, critical discourse analysis, and Freirian-based research. Tijdschrift voor Politieke Economie, 15 3 , 67-89.

The gender subtext of new public management-based work practices in Swedish health care, Equality, Diversity and Inclusion: An International Journal

WGS461Y1 Advanced Topics in Women and Gender Studies An upper-level seminar. Emancipatie en economie : is Nederland inmiddels een land waar vrouwen willen wonen? Salarios en Honduras: encuesta WageIndicator 2012. Amsterdam: Amsterdam Institute for Advanced labour Studies, University of Amsterdam.

**Losing More than Money:
Organizations' Prosocial Actions
Appear Less Authentic When Their Resources are Declining**

Building on this foundation, the participants will analyze and critique publications and theses reporting higher education research.

Eva Cyba

Journal of Family Issues, 25 2 , 216-240.

Learners will design or co-design a concrete piece of research and take it through the ethical review process.
