## Art Since 1950 (Part I)

Midcareer, Wright designed one of his most famous buildings voted best building in the US in 1991 by members of the American Institute of Architects Fallingwater, or the Kaufmann House in Bear Run, Pennsylvania 1937.

## The 1950s

Two of its main accomplishments have been setting educational standards and requirements to become an art therapist as well as a clear definition of what is considered art therapy.

## Analyzing the Differences Between Modernism and Postmodernism

He moved through a number of styles in his artistic career including Surrealism, before he developed his own signature style. Americans had discovered a stockpile of SS-4 ballistic missiles in Cuba. The Bauhaus, as an educational institution, introduced a revolutionary approach to the art academy and is famous for training many famous and prolific artists.

## Movements in Twentieth

Some Chinese leaders were inspired by the American political system. From different actions involving the body, to acts of physical endurance, tattoos, and even extreme forms of bodily mutilation are all included in the loose movement of Body art.

## Art Education History 1960s

Introduced amidst a wave of popularity of Swiss design, and fueled by advertising agencies selling this new design style to their clients, Helvetica quickly appeared in corporate logos, signage for transportation systems, fine art prints, and myriad other uses worldwide. In Japan, Kazuo Shiraga of the Gutai group relied on bodily interaction with materials to yield his final paintings Extra Resource: , Guggenheim Museum, New York.
