## The Corporate Insider's Guide to U. S. Patent Practice by Charles R. Macedo 9780195381177

As discussed in Chapter 2, Section 2.

## The Corporate Insider's Guide to U. S. Patent Practice by Charles R. Macedo 9780195381177

As discussed in Chapter 5, Section 5. At the same time, such notification would not make the patentee susceptible to a declaratory judgment lawsuit by the letter recipient at a time and place chosen by the recipient which might not be desirable to the patentee. This is particularly true for claims that are directed to chemical compositions.

## The Corporate Insider's Guide to U.S. Patent Practice (豆瓣)

It is important to remember that any patent application must be filed with the USPTO within one year after the first sale, offer for sale, or public use or disclosure of the patented article.

## Publications & Events

Similarly, if the patented invention has been the subject of any industry awards or favorable press, such documents should likewise be gathered. Certificates of correction can be issued in a matter of weeks to address minor typographical errors.
