## Chalet Suisse Aruba

Subsequently, it was merged with to form a district. Over the next century and a half, the castle was again used as the seat of the appointed representative of the bishop. Following an agreement between the belligerent nations and with support from the the internees were transferred to neutral Switzerland.

## Château

After clearing the woods, the region was intensively farmed and produced barley, hay, hemp and cheese.

## Luxury retreats & gourmet restaurants in Switzerland

In 2000 , there were 238 workers who commuted into the municipality and 266 workers who commuted away.

## Luxury retreats & gourmet restaurants in Switzerland

Our restaurant can be arranged to accommodate parties of all sizes; our main dining room is a stellar example of comfortable seating and spaciousness.
