## Objectivity and the Legal Mind

Equally, there have been some spectacular examples of what look like things going badly wrong.

## Objectivity and the Rule of Law

In this vein, Andrew Perlman a US law professor has written an interesting paper, , specifically concerned with the problem of objectivity that confronts lawyers.

**tech.radiozamaneh.com: Objectivity and the Rule of Law (Cambridge Introductions to Philosophy and Law) (9780521854160): Kramer, Matthew: Books**

The strength of this compelling account is Professor Kramer's effortless interweaving of positive and normative analysis.

## Objectivity and the Rule of Law

In other words, if a particular individual believes that there is a rule whose content is 'one ought to kill children at midnight' and the individual believes that this is a legal norm, then the mental activity, i Kramer advances no arguments that would ground his rejection of Platonism for universals.
