Recent cloth, with original front wrapper bound in.

Sherrington C Charles S

Its study further contributes to our understanding of the recovery processes and brain plasticity during childhood. Of course I have also drawn from my own experience as a clinician and research scientist in preparing this work and in this regard some of my own biases and interests are represented. A workshop on Acquired Aphasia in Children was held in Sintra, Portugal, on September 13-15, 1990, and attended by 44 participants from 13 different countries.

Sherrington C Charles S

Very Good, in dust jacket. Roy, had recently solved a problem of infection which was devastating the cattle in Argentina.
