A piece of gem from Ghalib

When the deepest sigh in your heart for the person you love is met with a casual nonchalance, almost a child like ignorance of the thing or being, or God you love so much, is just so unbearable. Ghalib verses seem more like deep philosophical insights into nature of existence. Half of Israel's mammal and reptile species, and all of its amphibians, can be found on the Heights.

Egypt's Mubarak: Golan could have been Syria's if it recognized Israel

Via — HLTCO HLTCO Një gol që nuk e sheh shpesh dhe të provosh ndonjëherë mund të kthehet në njeri qesharak. That means rocket and mortar fire often spillover, as they did in late June, and Israel responds.
