**following the relative freedoms to be solitary, numerous young women experience marriage as constraining.**

Confusing narratives emerged about how this pandemic-led epochal downtime could be used effectively.

## Leisure Education

The theory is a continuum model of leisure, with the criterion a condition Neulinger calls perceived freedom

**following the relative freedoms to be single, numerous young women experience wedding as constraining.**

The same society also richly rewards women socially and symbolically for being wives and mothers while southeastern Nigerian society has relatively strict expectations regarding the sexual behavior, mobility, and overall independence of married women compared to single women. The Holidays with Pay Act had little impact upon women, as very few were working, however many did benefit via their husbands.

## Right to rest and leisure

Refugees said that Jabhat al-Nusra and ISIS also imposed limitations on male dress and movement in the village of Jindires in Afrin and in Ras al Ayn, Tel Abyad, and Tel Aran, but all said that greater restrictions were placed on women and girls.

## Symbolism of Freedom in The Handmaid's Tale

However, in both settings, women shouldered significantly higher burden of domestic chores than men. The terms thoughts, feelings, and behaviors include all psychological variables that are measurable in a human being.

**following the relative freedoms to be solitary, numerous young women experience wedding as constraining.**

It may take trial and error to discover what is and what is not worth doing, especially for individuals in their teenage years. Meanwhile, rural men reported spending more time contributing to unpaid domestic work 98 minutes per day and care-giving duties 77 minutes per day than urban men. Discussion of the Literature Scholars and contemporaries alike interpret the New Woman differently.

## **Syria: Extremists Restricting Women's Rights**

Leisure is never dehumanizing or harmful.
