Dover Little Activity Books Stickers

Your coloring and activity books are directed at a younger audience. A book that does not look new and has been read but is in excellent condition.

Dover Little Activity Books

With the help of our Facebook friends, we put together a few questions for this talented artist. Plus, there is a variety of specialized series including AddUps, Flip Outs, Make a Masterpiece, and more. Remove the pages for a fun dino background.

There's a buzz about bees these days, and these adorable stickers capture all the fun! May be very minimal identifying marks on the inside cover. Stickers include a wide variety of subjects: fairies, candies, cats, mermaids, penguins, snowflakes, horses,

and hummingbirds — many glitter or glow.

The stickers will add a touch of sweetness to letters, journals, cell phones, and other flat surfaces. Temporary tattoo books feature baby animals, butterflies, dinosaurs, Celtic designs, holiday images, bugs, hearts, and more. No obvious damage to the cover, with the dust jacket if applicable included for hard covers.

Dover Little Activity Books Stickers: Glitter Santas Stickers (Paperback)

There's a bushy evergreen on the inside cover and 40 reusable stickers to decorate your tree: shiny ornaments, peppermint canes, snowflakes, a toy trumpet, a gingerbread man, a nutcracker, an angel, a lollipop, a top, candles, a star for the top, and more.

The mini size is perfect for road trips! These colorful stickers are perfect for fun at home; school; or on the go! A nice embellishment for kids' cards, posters, and notepads. Plus, each is sprinkled with glitter so these butterflies really shine. The most beautiful species just might be these fantasy flyers, featuring wings with abstract shapes and more colors than Mother Nature has in her paint box.

I remember how I would wrack my brain to create something fun and interesting for them to enjoy — a very similar process takes place in my mind now, just for a much larger group of color artists. Stickers include a wide variety of subjects: fairies, candies, cats, mermaids, penguins, snowflakes, horses, and hummingbirds — many glitter or glow.
