## 10 Key Characteristics of Romanticism in Literature

This insurrection against the old traditions of classicism was called romanticism and now, when the mass of rubbish to which it had given birth has produced another oscillation in opinion the reverse way, one inestimable result seems to have survived it—that life and human feeling may now, in France, be painted with as much liberty as they may be discussed, and, when painted truly, with approval. Although many stress the notion of spontaneity in Romantic poetry, the movement was still greatly concerned with the difficulty of composition and of translating these emotions into poetic form.

## About the Romantic Period

In the backdrop of those new Romantic writers, penning their way into literary history, we are on the cusp the and writers were affected by the French Revolution. The reaction to the standard literary practice and critical norms of the eighteenth century occurred in many areas and in varying degrees. His antipastoral *The Village* appeared in 1783.

## Romanticism: Definition & Key Themes
