The Beatles' Abbey Road Medley by Thomas MacFarlane

The former song has an off-mike guide vocal by John. To this day, it remains their biggest seller. In the end it doesn't matter but hey I love the Beatles and revisionist history.

Are the Abbey Road Medleys really a Medley?

These tunes fired up that restless hunger the lads had to impress each other, which none of them ever really lost, even after the band split. Was his unconscious deliberately trying to destroy the Beatles? It comes with a 40-page full color book that has the intro pieces from Paul and Giles and limited liner notes from Howlett.
